Credit Union subsequently appointed Glenn M. MacLeod as the Successor Trustee of said Deed of Trust.

The default for which this foreclosure is made consists of the failure by the Grantor, or Grantor's successor in interest, to pay the monthly installments of principal and interest, when due, under the terms of the Promissory Note for which the above-described Deed of Trust was given as security. In addition, the Grantor failed to pay the real property taxes and assessments levied on the above-described lands for 2013, resulting in the issuance of a County Treasurer's Certificate of Tax Sale No. 30 dated September 10, 2014. The first installment of the 2015 real property taxes is currently due and payable, and the second installment of the 2015 real property taxes is payable but not yet due.

The Beneficiary's records indicate that the following sums are now due and owing to the Beneficiary from the Grantor, or Grantor's successor in interest, on the obligation secured by said Deed of Trust:

Unpaid principal balance: \$19,502.19

Interest accruing on said unpaid principal balance at the rate of 6.74% per annum from June 25, 2015.

Delinquent 2013 real property taxes, penalty, interest and fees.

2015 real property taxes totaling \$1,833.36.

Beneficiary's reasonable costs incurred for trustee's sale guarantee title report, filing and recording fees, trustee and attorney's fees, expenditures for insurance and other costs for the preservation of its security, to and including the notice period prior to sale, with interest.

Parties appearing to have a lien, claim or encumbrance upon the subject property are:
