There is an ordinance for the posting of garage sale signs and if signs are left posted, there is potential for a fine from the city.

### 5-1-7: POSTING OF BILLS:

No person shall, within the limits of the city, post, paint, or distribute any advertisements upon any private wall, door, gate or fence; or upon any curbstone, flagging, gutterstone, sidewalk, lamppost, gateway, telephone or telegraph pole, fireplug, or any public building of the city, or upon the public grounds, or the wooden or iron railings or fences surrounding the same, of the announcement for sale or barter of any description of merchandise, or of the treatment of any disease, or of any public amusement or lottery, or any notice of general public character, or any advertisement whatever, without the previous written consent of the mayor; or upon any property belonging to any person without the previous written permission of the said person. (Ord. 46, 8-20-1906)

Also, there is a community project being worked on that will be placing community art on the 9 traffic control boxes on 1st Street and 5th Ave. (which by the way is private property of the MDT and illegal to tape signs too, as well as the lampposts.)

Once your sale is over please gather your signs so they don't become litter.
