MONTANA WATER COURT TURTLE MOUNTAIN BAND OF CHIPPEWA PRELIMINARY DECREE

NOTICE OF ENTRY OF THE TURTLE MOUNTAIN **CHIPPEWA PRELIMINARY DECREE AND NOTICE OF AVAILABILITY**

The Montana Water Court has entered its Preliminary Decree for the Turtle Mountain Chippewa water right claims. This Decree is now available for your review.

The Preliminary Decree for the Turtle Mountain Chippewa contains claims filed by the United States for reserved water rights on behalf of the Turtle Mountain Band of Chippewa ("the Tribe"). These claims are for actual and future use on allotment lands held in trust by the United States for members of the Tribe.

These claims have been filed and included in a decree pursuant to Sections 85-2-217 and 85-2-702(3), MCA, which provide for the filing of claims and issuance of a preliminary decree for reserved rights that have not been resolved by a compact.

WHAT IS THE PRELIMINARY **DECREE?**

The Preliminary Decree is entered by the Water Court in accordance with Section 85-2-231(2), MCA.

The Decree contains 843 water rights. The allotments are located in twelve different hydrologic basins in Montana. Combining these water rights into a single decree spanning multiple basins conserves public and private resources.

Notice of this Preliminary Decree is being provided by publication in newspapers and directly to individuals in sub-basins as determined by the Department of Natural Resources and Conservation pursuant to the affidavit of John Peterson, Adjudication Bureau Chief. A copy of the affidavit can be found on the internet at www.dnrc.mt.gov/ divisions/water/adjudication/ turtlemountain.

You are receiving this Notice because the State's water rights records indicate you have filed a statement of claim, applied for or received a permit to appropriate water, or own a water reservation in an area where a water right in the Decree is located. Those areas include water rights that fall within sub-basins designated by the DNRC. Pursuant to the affidavit of John Peterson,

these sub-basins were created

The public may protest this license transfer in accordance with the law.

Who can protest this transfer? Protests will be accepted from residents of the county of the proposed location (Hill), residents of adjoining Montana counties (Choteau, Blaine, Liberty), and residents of adjoining counties in another state if the criteria in 16-4-207(4)(d), Montana Code Annotated (MCA), are met.

(3) an indication that the letter is intended as a protest; (4) a description of the grounds for protesting; and (5) the protestor's signature. A letter with multiple signatures will be considered one protest letter.

What are valid protest grounds? The protest may be based on the applicant's qualifications listed in 16-4-401, MCA, or the grounds for denial of an application in 16-4-405, MCA. Examples of valid protest grounds include: (1) the applicant is unlikely to operate the establishment in compliance with the law; (2) the proposed location cannot be properly policed by local authorities; and (3) the welfare of the people in the vicinity of the proposed location will be adversely and seriously

How are protests submitted? Protests must be postmarked to the Department of Revenue, Office of Dispute Resolution,

What happens if the transfer is protested? Depending on the number of protests and the protest grounds, a public hearing will be held in Helena or Havre. All valid protestors will be notified of the hearing's time, date and location. Hearings typically are scheduled within 90 days. A protester's hearing testimony is limited to the grounds in the protester's letter. Following the hearing, the Department of Revenue will notify the public whether the license transfer is approved or denied.

How can additional information be obtained? The cited MCA statutes are online at leg.mt.gov/bills/ mca_toc/. Questions may be directed to Dacia English, Compliance Specialist for the Department of Revenue's Liquor Control Division, at (406) 444-0728 or DEnglish@ mt.gov.
