Public Notice

Notice of Application for a Montana Air Quality Permit (MAQP), pursuant to Sections 75-2-211 and 75-2-215, MCA, and the Air Quality Rules). Havre Pipeline Company, LLC, will file on or about February 23, 2017, an application for a modification to an existing MAQP from the Montana Department of Environmental Quality. Applicant seeks approval of its application for: making existing and proposed emission reductions at the Blaine County #1 Compressor Station federally enforceable with the intent of reducing emissions below Title V major source thresholds. Also, three smaller engines are proposed to be added to replace the two much larger engines being removed.

The legal description of the site is: Section 29, Township 31 North, Range 18 East in Blaine County, Montana.

Within 40 days of the receipt of a completed application, the Department will make a preliminary determination whether the permit should be issued, issued with conditions, or denied. Any member of the public with questions or who wishes to receive notice of the preliminary determination, and the location where a copy of the application and the Department's analysis of it can be reviewed, or to submit comments on the preliminary determination, must contact the Department at Department of Environmental Quality, Air Quality Bureau, Air Permitting Section Supervisor at P.O. Box 200901, Helena, MT 59620-0901, telephone (406) 444-3490. Any comments on the preliminary determination must be submitted to the Department within the specified timeframe (within 15 or 30 days after the preliminary determination is issued).
