NOTICE OF TRUSTEE'S SALE

To be sold for cash at Trustee's Sale on the 4th day of September, 2024 at 1:30 o'clock p.m., at the front door of the Hill County Courthouse, Havre, Montana, is the following property:

The West 70 feet of Lots 1 and 2, Block 4, Rogers Addition to the Original Townsite of East Rudyard, Hill County, Montana.

Kelly R. Domire and Rebecca D. Ridgway-Domire, husband and wife, as Grantors, conveyed the above-described property to Hill County Title, as Trustee, to secure an obligation owed to Wells Fargo Bank, N.A., as Beneficiary, by Trust Indenture, dated September 25, 2007, and recorded, September 26, 2007, in Book 170 Mortgages, pages 133, as Document No. 568796, records of the Clerk and Recorder of Hill County, Montana. The beneficial interest in the Trust Indenture is currently held by Montana Board of Housing as a result of the most recent Assignment, recorded September 26, 2007, in Book 170 Mortgages, Page 134, as Document No. 568797, records of the Clerk and Recorder of Hill County, Montana. The Trustee in the Trust Indenture was replaced by a Successor Trustee, namely, Jeff A. Turner, the undersigned.

The default in the obligation, the performance of which is secured by the aforementioned Trust Indenture, and for which default this foreclosure is made, is the failure by the Grantor, or other person owing an obligation, or by their successors-in-interest, to pay the monthly installments of \$660.86, each due thereunder on the 1st day of the months of July 1, 2023, through April 1, 2024, which is applied to principal and interest and to an escrow account if established for other obligations under the Trust Indenture, late charges which are 5.00% of payments of principal and interest more than 15 days in arrears, and late charges and escrow shortages, currently \$390.79, attorney's fees and foreclosure costs, currently \$870.95, less unapplied funds, currently none, for a current total default of \$7,870.34; together with accruing late charges, advances, and expenses of foreclosure, including attorney's fees and costs.

There is presently owed on the obligation secured by the Trust Indenture the principal sum of \$49,195.83 plus interest thereon at the rate of 6.00% per annum from the 1st day of May, 2023, until paid, or \$8,080.00 per day, currently a total of \$2,587.83, late charges, advances for property protection, and escrow shortages, currently \$2,838.47, attorney's fees and costs, currently \$870.95, for a current total indebtedness of \$55,493.08. Other expenses to be charged against the sale proceeds include accruing late charges, escrow shortages, if any, attorney's fees and costs, and expenses of foreclosure and sale.

The Beneficiary has elected to sell the above-described property to satisfy the aforementioned obligation and has instructed the undersigned Trustee to do so. The sale is a public sale and any person, including the beneficiary, excepting only the Trustee, may bid at the sale. The bid price must be paid in cash. The conveyance will be by a Trustee's Deed, made "as is," without representations or warranties, express or implied, including warranties of title, possession or encumbrances. The purchaser shall be entitled to possession of the property on the 10th day following the sale.

The sale may be postponed up to 15 days for any reason by public proclamation at the scheduled sale. If there is a stay by bankruptcy or court order, the sale may be postponed up to 30 days at a time by public proclamation, for a total of no more than 120 days.

The grantors, successor in interest to the grantors, or any other person having an interest in the property, at any time prior to the Trustee's Sale, may pay to the beneficiary the entire amount then due under the Trust Indenture and the obligation secured thereby (including costs and expenses actually incurred and attorney's fees) other than such portion of the principal as would not then be due had no default occurred and thereby cure the default theretofore existing.

THIS IS AN ATTEMPT TO COLLECT A DEBT; ANY INFORMATION OBTAINED WILL BE USED FOR THAT PURPOSE.

DATED this 16th day of April, 2024.

PRACTICE DEMOCRACY. READ YOUR LEGAL NOTICES. THEY'RE CRUCIAL TO DEMOCRACY.

The reason publication of legal notices is required in newspapers is YOU, the citizen. In a Democracy, the government is required to inform you of the public business, because you and your neighbors are the basis for government. These notices provide essential information about all local government entities, including schools, cities, villages, and counties. A Democracy is a system of checks and balances. Your right to know and be informed is a check on government. Public notices shed light on the actions of all governmental bodies, but it's up to you, the citizen, to read them and obtain more information if necessary about the actions that impact you.

NOTICE OF SEWER RATE INCREASE AND PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on June 12, 2024, the Town Council (the "Council") of the Town of Chester, Montana (the "Town"), adopted a Resolution of Intention of the Town of Chester, Montana to Increase Rates for the Users of the Sewer System.
 The Council has determined to undertake certain improvements to its municipal sewer system (the "System"). The Town presently has a sewer system revenue bond outstanding and intends to issue additional series of sewer system revenue bonds. It is necessary for the Town to collect sufficient revenues to repay the sewer system revenue bonds, to pay the costs associated with the operation and maintenance of the System, and to establish appropriate reserves.
 The Town currently charges each residential user of the System \$32.81 per month (the "Residential Flat Rate"). The Town charges each commercial user of the System a base rate charge of \$32.81 per month (the "Base Rate Charge"), which includes the use of 2,000 gallons of water. In addition, the Town charges each commercial user of the System a monthly usage charge of \$1.50 per 1,000 gallons or proportionate amount per portion thereof used per connection in excess of the 2,000 gallons included in the Base Rate Charge (the "Usage Charge"). The monthly charge for commercial users of the System is the sum of the Base Rate Charge and the Usage Charge (such sum, the "Commercial Monthly Charge"). Effective as of the August 2024 billing, the Town proposes to increase the Residential Flat Rate by \$4.00, such that each residential user of the System is charged \$36.81 per month.

Effective as of the August 2024 billing, the Town proposes to increase the Base Rate Charge by \$4.00, resulting in a proposed Base Rate Charge of \$36.81 per month, which includes the use of 2,000 gallons of water. The Town proposes to increase the Usage Charge by \$1.50, for a proposed monthly usage charge of \$3.00 per 1,000 gallons or proportionate amount per portion thereof used per connection in excess of the 2,000 gallons included in the Base Rate Charge. The proposed Commercial Monthly Charge for commercial users of the System is the sum of the proposed Base Rate Charge and the proposed Usage Charge. For a residential user, the proposed Residential Flat Rate represents an increase of approximately 12.2% over the current Residential Flat Rate. For a commercial user using 4,000 gallons of water per month, the proposed Commercial Monthly Charge represents an increase of approximately 19.5% over the current Commercial Monthly Rate. On Wednesday, July 10, 2024, commencing at 6:00 p.m. at the Council Chambers, located at 22 West Madison Avenue, in Chester, Montana, the Council will conduct a public hearing regarding the proposed sewer rate increase. Further information about the proposed rate increase may be obtained by contacting Ashley Wickum, Town Clerk-Treasurer, at 406-759-5635. Done by Order of the Council of the Town of Chester, Montana, this 12th day of June, 2024.
